

## NID 2024 paper

1. Draw products for people carrying water on mountains, how can we make it easier for them to make 20liters water portable while carrying it up.
2. Create either a child's room or an adult's(above 50) and from that drawing of yours choose an object draw it and write what its used for and next question asked us to make a change to make that product even better.
3. 4 boxes given with conditions like potato to chips, shells/beads to jewelry, bees to candle, mango/fruit to pickle and we had to draw the process in three steps.

Only 19 questions were asked for GAT -25mks & DAT-75mks
